**In 1717**, our History start with this testament. The Seigneur de Lauris give to our Family our first land in Vacqueyras... Since that, the Arnoux Family perpetuate the Vine culture.

**In 1960**, Aimé ARNOUX, the father, and his two sons Jean Marie and Régis decide to create the Brand “Vieux Clocher” ...

**Vieux Clocher®**

**Nowadays**, Marc et Jean Francois ARNOUX, the two sons of Jean Marie, continue to develop this Flagship Brand of our Company.
